Graduate Assistant Parking Permit Approval Form

*A Graduate Assistant who is a teaching assistant may be permitted to apply for a GA parking permit, which will allow students to park in special designated GA parking areas. Graduate Assistants must be **actively engaged in teaching** to receive a GA Parking Permit. This means that you must be in a class, lab, or other such place at a specific time to interact with students. Grading tests, for example, would not be a valid reason for pursuing such a permit. Please fill out form completely and forward to the appropriate offices for endorsement.*
